

André Diederichs

Field Wisdom

Based on André's book *Field Wisdom (Veldwysheid)*. *Business Ethics & its impact on the New Regulations in the Company & Consumer Acts*

Contents

Globalisation removes trade barriers between countries. The world is seeking global rules for businesses and this leads to an increasing focus on business ethics & governance.

The move from a shareholder's to a stakeholder focus and the impact of the new regulations in the Company's & Consumer Acts are discussed.

Lessons from the Meerkat, etc. Video clips are used to see the animal's behaviour to clarify the business lesson

Outcomes

Business owners/entrepreneurs and senior management will clearly understand how to adapt their businesses to adhere to increasing governance/business regulation & how to manage their risks
